

CHICK CHAT

FROM THE ROCKIN' DE RANCH

When Ross Perot was spotted with a couple of Chicks, it made the front page of *The New York Times*.

WHOA NELLIE!

We're gonna be on our longest tour to date beginning October 2nd to November 5th. We'll be pickin' and panickin' in eighteen cities...well, towns. If our Coop de Ville poops out, we'll be calling on you to come pick us up. The feathers will be flyin' from Butte to Mt. Pleasant.

In a piñon shell, here are this summer's highlights:

- We were on the front page of *The New York Times* September 12th. Too bad they left out our two favorite words – Dixie Chicks.
- Laura danced with President Bill Clinton (she asked him).
- We were on our first nationally broadcast morning show, *CBS This Morning* with Paula Zahn.

- The Ft. Worth Ballet was a whirling success this summer as we accompanied them in a new ballet suite entitled *All The Right Women*.
- We boogied and woogied with Bruce Willis and his band at the fabulous Planet Hollywood opening. We met Daryl, Arnold, Roseanne, and Troy.
- August 4th–14th, we took our first vacation in 16 months (details inside).
- We were the band at the Vince Gill Charity Golf Tournament. We met Amy Grant and watched Garth and his new goatee tee off.
- Mr. Peppermint had us on his show. He's a twenty year veteran of children's early morning television.
- We had our barnyard debut in The Barns at Wolftrap, Virginia.
- We **didn't** get to put our hands in cement at Billy Bob's TX.

- Music City Tonight with Crook and Chase had us on for the second time this year. Thank you TNN.
- High on the Copper Mt. top, we had a proper cup of coffee from a proper copper pot with Red Steagall, Waddie Mitchell, Don Edwards, Michael Martin Murphey, Collin Raye, and Amado Pena at West Fest '94!

DON'T STEP ON THE COW PATTY DADDIES

Road Manager/Engineer Jeff and drummer Tom have been with us four years this month. They've been big brothers to us through thick and very thin. We love you both so much!

September 24th, Jeff will be wedding Sharon Thomas of Junior Cheerleader fame in Jackson Mississippi. Jeff finally decided to marry. He said he had to – he couldn't hold in his stomach forever.

Top Chip Tom got himself a new beagle named Daisy.

We witnessed our bass player, Bobby Charles, Jr., consume a 3½ lb. steak at Harlow's in Abilene.

Guitarist Troy Wells Laughs like Muttly on the Dick Dastardly cartoon.

"Swing hard in case they throw the ball where you're swinging."

–Duke Snider

THANKS PAHDNAH!

As summer comes to a close, we have fond memories of our farmer-tanned fans who endured the heat, sun, and rain just to catch a show. Thank you, you're why we do it!

WHAT WE DID ON OUR SUMMER VACATION...

Here we are with the stars of TNN's *Music City Tonight*, Lorianne Crook and Charlie Chase.

Well, this explains the day-dreaming! Martie

Once upon an August noon, a fair Prince Charming came to swoon.

On top of Vail Mountain, on bended knee, he asked me to be his June chickadee.

A princess cut diamond's been placed on my hand; I'm the happiest fiddler in all Dixieland!

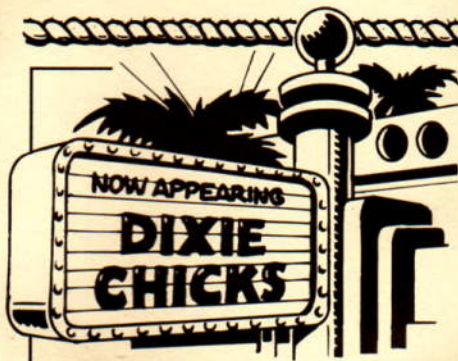

A+ Nice work! Emily

On my summer vacation, I went to Camp Ricochet. There were lots of fun activities, like two-stepping in Honky Tonks all across the country and crocheting Ricochet pot holders under shade trees.

The best part was getting to ride in the back of a genuine tour bus with Mr. Wright.

Laura Dear. See me about extra Geography tutoring. LAURA

I took Asia to the Grand Canyon!

HIGHWAY RUBBERY

We popped a tire in Tucumcari, New Mexico en route to West Fest. We found that if we all sat on the driver's side of the R.V., we could limp on in to Raton and sing for a tire.

¿DONDE ESTA JUAN?

Dixie's do Mexico – our 6th country to perform in. Now that's a country countdown.

THE THIGH'S THE LIMIT

Has anyone tried the thigh cream that's advertised on the telephone poles? We are the self-appointed thigh cream guinea pigs. There are no documentable results to report (see photo at right).
